

New look for the Keep an Eye Foundation crew!

The hosts and hostesses of the Keep an Eye Foundation need to be fashionable and recognisable at events. Therefore, we have set up a design competition for 2nd year Textile & Fashion students of the Royal Academy of Art, The Hague. The students had a few weeks to work on *the perfect outfit* for our staff, and 2 designs have been chosen by the Keep an Eye Foundation jury. Congratulations to Trumaine Huijts & Ying Ying Guo (jacket) and Vincent Wong & Victoria Stigkjaer (sweater) for the winning designs!

The outfits will premiere during the Fashion Show 2017, where our hosts and hostesses wear the unique designs. You will find them at the Keep an Eye Foundation desk, please do not hesitate to ask our crew all there is to know about the Keep an Eye Foundation!
